

## BOTSWANA UNDER THE STARS

### *Day 1 : Arrive Maun*

Upon arrival in Maun transfer to your lodge with time to relax from the flight.

### *Day 2 : Maun - Xakanaxa Moremi Game Reserve*

After breakfast in the morning start your journey to Moremi Game Reserve via Xini and Bodumatau area. You have a picnic lunch enroute as well as good game viewing before your arrival in the camp later in the afternoon.

### *Day 3 : Xakanaxa Moremi Game Reserve*

Today after an early breakfast explore more of Xakanaxa Moremi Game Reserve, a landscape dominated by the Mopane trees. The trees attain gigantic proportions, forming a magnificent cathedral of forest that dwarfs everything in its wake. There are seasonal pans, salt pans and rivers that attract multitudes of wildlife and birds. You get a taste of the Okavango Delta here during your morning and afternoon game drive with sundowner.

### *Day 4 : Xakanaxa Moremi Game Reserve - Khwai Concession*

Today depart early in the morning to start your journey to the Khwai Concession area. You have a picnic lunch enroute as well as good game viewing before your arrival in camp later in the afternoon.

### *Day 5 : Khwai Concession*

Set east of Moremi Game Reserve Khwai is undoubtedly one of the top wildlife destinations in the world. The Khwai floodplains contrast beautifully with the lush island vegetation of Moremi Game Reserve and the rest of the Okavango Delta. Head upon head of animals come down to drink from the Khwai river, drawing along predators from the woods. Enjoy a morning and afternoon game drive in this scenic setting and an option for a night drive.

### *Day 6 : Khwai Concession - Savuti*

In the early morning after breakfast head out for game viewing along the Khwai River. Later leisurely departure for Savuti via Mababe depression, with a picnic lunch along the way. If time permits there is another introductory game viewing in and around the Savuti Marsh before arriving at the camp.

### *Day 7 : Savuti*

Today enjoy an morning and afternoon game drive with sundowner in Savuti, a small channel of water that breaks out of the Linyanti which divides Botswana from Namibia. When the channel flows, Savuti is paradise in itself. Giant heads of Elephants, Buffalo and Antelope are common residents. It is perhaps when the river stops or suddenly starts flowing after many years of absence that Savuti is most dramatic.

### *Day 8 : Savuti - Kasane - Chobe*

Today in the early morning after breakfast head out for game viewing in the Savuti area. A little later make your way towards Kasane Immigration crossing the border between Botswana and Namibia. With a short boat ride takes you to lodge on the edge of the great Chobe River.

### *Day 9 : Chobe River*

After breakfast enjoy a cruise on the Chobe River. The river is the soul of all of the life here. In the dry season, there is no other place on earth that has better concentrations of Elephants, Buffalo, Sable, Hippopotamus and many more. The predator life is equally drawn to the river front as it follows the prey species to the water side. Both Lion and Leopard are frequently seen here. End the day with an afternoon boat cruise and sundowner on the Chobe River.

### *Day 10 : Chobe - Victoria Falls*

After breakfast transfer to Victoria Falls. One of the original natural wonders of the world the falls are a World Heritage Site and locally known as 'The Smoke that Thunders' and is considered to be the world's largest waterfall.

### *Day 11 : Victoria Falls Departure*

After breakfast transfer to the Victoria Falls airport for your international return flight.
